							51. Permit Suspension	

Opening Comments

A routine inspection was conducted this date for Nutwood Cafe- Avanti Market.

Nutwood Cafe- Avanti Market is a micromarket located on the first floor of College Park. This facility sells prepackaged foods only.

The following was observed/discussed at the time of the inspection:

- The Seattle's Best Coffee vending machine was not in operation. First Class vending is waiting on a part to fix the vending machine. Prior to operating the vending machine, the facility shall thoroughly clean and sanitize the equipment.
- Per First Class vending, once the refrigeration unit hits 41F degrees for 15 minutes, the unit automatically locks. Once the unit is locked out, this triggers an alert to the facility to have a technician come on site.

No violation was observed at the time of the inspection.

It was agreed that a copy of this report will be sent to the email address on file. The person in charge was directed to call this office if the report is not received within two business days. Additional information can be found at www.ehs.fullerton.edu
