Opening Comments

This inspection was conducted prior to opening for limited service during food court dining room floor replacement construction activities.

Togo's plans to open for business on 7/15/2019 with only online order service through Tapingo. Food will be prepared in Togo's storefront and customers will pick up orders from hallway near the food court kitchen back offices. Hot hold and cold hold units will be temporarily relocated to the hallway area. Plastic sheeting was observed in place separating Togo's storefront from construction activities. Proposed operations are approved with the following recommendations:

- Inspect plastic sheeting daily and maintain log sheet of daily inspection. Post contact information for appropriate person to notify if

Inspect plastic sheeting daily and maintain log sheet of daily inspection. Post contact information for appropriate person to notify if
plastic sheeting observed to be damaged or not in place. Cease food service operations if plastic sheeting is damaged or not in place.

- Maintain clear pathway in hallway near back offices. Do not obstruct doors or exit pathway.

It was agreed that a copy of this report will be sent to the email address on file. The person in charge was directed to call this office if the report is not received within two business days. Additional information can be found at www.ehs.fullerton.edu
