Opening Comments

This inspection was conducted in response of a complaint regarding foodborne illness. A member of the public reported becoming ill after eating at this facility at an unknown date in the past. This complaint was discussed with Togo's management, no reports of foodborne illness have been received by Togo's management.

6. Adequate hand washing facilities supplied and accessible.

Handwashing facilities must be provided, maintained with soap and single-use towels or drying device, and remain easily accessible. (113953, 113953.1, 113953.2, 114002.1)

Inspector Comments: The paper towel dispenser at the nearest hand wash sink was nonoperational at the time of inspection. Management reported a replacement has been ordered. Paper towels were available at other hand washing sinks accessible within the food court kitchen area. Ensure hand wash sinks are equipped with paper towels.

It was agreed that a copy of this report will be sent to the email address on file. The person in charge was directed to call this office if the report is not received within two business days. Additional information can be found at www.ehs.fullerton.edu
