Opening Comments

8. Times as a public health control; procedures and records

When time only, rather than time and temperature is used as a public health control, records and documentation must be maintained. (114000)

Inspector Comments: Maintain TPHC logs for potentially hazardous food (cream cheese) held near waffle bar.

33. Nonfood contact surfaces clean

All nonfood-contact surfaces of utensils and equipment shall be clean. (114115(c))

Inspector Comments: An accumulation of dirt and residues observed in cabinet below the beverage station. Remove accumulation and maintain clean. (REPEAT)

It was agreed that a copy of this report will be sent to the email address on file. The person in charge was directed to call this office if the report is not received within two business days. Additional information can be found at www.ehs.fullerton.edu
