Opening Comments

A routine inspection was conducted this date for the Community Market at Student Housing.

The Community Market sells prepackaged foods only.

No violation was observed at the time of the inspection.

NOTES:

1. Observed a f'real shakes and smoothies machine that is out of order. Per person in charge, the machine is not operational. The facility plans to replace the f'real shakes and smoothies machine with a slushy unit. Prior to replacing the equipment, the facility shall send specification sheets to California State University, Fullerton Environmental Health and Safety for review and approval prior to replacement.

It was agreed that a copy of this report will be sent to the email address on file. The person in charge was directed to call this office if the report is not received within two business days. Additional information can be found at www.ehs.fullerton.edu
